Nuits Saint Georges - Village

Aux Saint Juliens

GRAPE VARIETY: Pinot Noir

AVERAGE AGE OF THE VINES: 60 years old

SURFACE AREA: 22 ares 39

VINIFICATION : After a few days of pre-fermentation maceration (5-6 days), fermentation takes place over about 15 days, without adding yeast. The cap-punching and pumping over operations are carried out as necessary to preserve all of the wine's elegance without excessive extraction. After pneumatic pressing and several days in vats, the wines are racked off by gravity, with the proportion of new barrels no greater than 25%.

BOTTLING: SO2 content: 20 mg/l of free SO2, 60 mg/l of total SO2

Tasting

A subtle wine with very fine tannins; fine and delicate floral (peony) and cherry aromas both on the nose and on the palate – even lace-like in the mouth, with good persistence. Will pair well with white meat.
